

Noble County 4-H Project Judging
Guidelines for Food & Nutrition Projects
In-person Judging

Evaluation of Food & Nutrition projects for 2020 will be evaluated slightly difference than in previous years. Please review the enclosed Score Sheet.

A food sample from one of the recipes in the project book will still be required. **Judge will not taste the item. Still practice proper food safety. Keep cold food cold and keep hots food hot.

Project book is required.

Table Setting. DO NOT Bring a table setting. However, either take a pictures of an appropriate table setting for the food item brought to judging and make a poster of the table setting or draw a diagram of the appropriate table setting for the food item and make a poster to bring to judging.

Recipe – Make a recipe card for the food brought to judging showing the complete recipe.

You will continue to be judged on project knowledge and skills learned – so be prepared to talk about what you did and what you learned.

Any questions, contact the Extension Office.
