2021 Monroe County Fair

Welcome to the 171st Monroe County Fair.

As you visit our Fair Grounds you will notice some new structures. The first one you may see is at the main entrance to the fair grounds. It's the new O.S.U. Extension office. Come on in to the fair grounds and you will notice a new 4-H Educational Building that sets on the site of the old Henri Coulson Building. Move on around the grounds and you will notice improvements to the 4-H Show Barn. None of this would have been possible with out grants and funds acquired from the State of Ohio Department of Agriculture and local officials. On behalf of the Monroe County Agricultural Society we hope your visit is a safe and enjoyable one.

We look forward to seeing you at the fair.

John Williams

President, Monroe County Agricultural Society

The Ohio 4-H Horse Program, Show Committees, Officials, Extension Personnel, Monroe County Agricultural Society Directors and Volunteer Leaders are not responsible for checking headgear worn for such compliance.

b) The Ohio 4-H Horse Program, Show Committees, Officials, Extension Personnel, Monroe County Ag Society Directors and Volunteer Leaders make no representation or warranty, expressed or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear, as no helmet can protect against all foreseeable injuries in equestrian activities.

This new structure, when completed, will house Monroe County Extension and 4-H. The project is funded thru the Monroe County Commissioners.

The Monroe County Ag Society is pleased to present the Jack Cera 4-H Educational Building. The structure sets on the location of the previous Henri Coulsen Building which had outlasted its useful life. This project was made possible thru 2 grants from the Ohio Legislature, 1 grant from the South Central Electric Foundation, 1 grant from the Monroe County Commissioners and local contributions.

Thanks to everyone who made this possible.
