* Market Heifers may show in the Market Beef Animal show. They will show with steers in their respective weight class. Market Heifers may NOT be bred in order to show at the fair. Exhibitors will be required to bring a certificate from a veterinarian to fair weigh-in (dated no more than 30 days prior to the start of the fair) stating that the animal is open. If you do not have this certificate, the animal will not be allowed to show. Once you tag your animal in as a market heifer, you are not permitted to show her as anything else (county fair, open and/or jackpot shows).

* **FAMILY ANIMAL RULE** – To ease the burden for families to buy an extra animal for each child. **A maximum of three animals** may be tagged per member per species (ie. Can tag 3 mkt. beef) with two eligible to show and sell at the fair. **Up to One animal per exhibitor** may be tagged/weighed in the “Family” name. Each member must identify at least one or two animals as theirs at the tag-in/weigh-in if they have a “Family” animal. (One family animal can be shared by all members of the family – just put FAMILY on the ID Weigh slip). If a member tags in three animals, they can not have a family animal, because they already have an extra/spare/alternate animal. Anyone in the family can claim a “Family” animal at the fair weigh-in.

Quality Assurance: Exhibitor and one parent/guardian **must** attend one of the sessions offered in Noble County or any other Ohio County **OR** youth must be tested out or completed the YQCA On-Line annual certification.
