

ELECTRONIC DUNF FORMS

The form will not go live until Tuesday, August 22nd @ 5:00 AM and must be submitted by 11:59 PM on Friday, August 25th.

DUNF Form link -
<https://go.osu.edu/2023nobledunf>

Forms must be submitted by 11:59 PM on FRIDAY, August 25th. All market animals including Feeder Calves must be DRUG FREE by 7 AM on Monday, August 28th to be eligible to show and sell. This includes market animals/feeders calves not going through the sale – **MUST BE DRUG FREE TO SHOW.** **If an animal gets sick during the week of the fair – they must be treated under the supervision of the designated fair veterinarian. It will be up to the discretion of the fair veterinarian to determine if the treated animal will remain on the fairgrounds or be required to leave the fairgrounds.

*Drug free means they must have completed withdrawal for any medicine or medicated feed that has a withdrawal time. This means that you only list medication or treatment on the DUNF form if WITHDRAWAL IS NOT COMPLETE. Note– most medicated feeds do not have a withdrawal. Also, if you gave a medication back in June and withdrawal was 30 days, then that drug withdrawal was complete and does not need listed on the DUNF. If you have questions, please call and ask.

Should a medication be administered to the animal after form is completed, contact Matt Lawrence (740) 509-2242.

You will
see **65 -
Noble
County
at the top**

Exhibition/Fair that I am exhibiting at:

65 - Noble

If this Exhibition/Fair is not where you are participating, do not complete this form. Contact your 4-H Educator to obtain the correct link for your county.

2. Fill out all info on the page including first and last name, address, email, and phone.

Complete current age of exhibitor in the drop down.

Click next.

Current Age of Exhibitor

→ Next

The image shows a screenshot of a web form. The label 'Current Age of Exhibitor' is positioned above a rectangular dropdown menu. The dropdown menu is currently empty. In the bottom right corner of the form area, there is a green button with a white arrow pointing to the right and the text 'Next'.

3. List animal identification number (FAIR tag, FAIR tattoo) DO NOT PUT NAME OF ANIMAL.

**Only put ONE animal/pen on form at a time.

Select species from drop down.

List the animal identification number. This must be a tag, tattoo #, legband, RFID chip, etc. DO NOT put the name of your animal as the identifier.

Select the species of your animal below.

7. Answer how many medications you used that the withdrawal time has NOT passed.

How many medication(s) have you treated this animal with that the withdrawal time has not elapsed?

[← Back](#) [→ Next](#)

Click next.

8. Complete the questions specific about the medication. Prepare to fill out treatment date, condition being treated, name of medication, amount (dose), route (IM, IV, SQ, oral), withdrawal time, date withdrawal complete). Youth need to answer if this medication was extra label or Rx. You will complete this for each medication you used that the withdrawal time has not elapsed.

Click Next

The screenshot shows a digital form for recording medication withdrawal. At the top, there is a label "Date Withdrawal Complete" followed by an empty rectangular input box. Below this, the question "Was this drug an extra label or Rx drug?" is displayed. There are two radio button options: "Yes" and "No", both of which are currently unselected. At the bottom of the form, there are two green buttons: "← Back" on the left and "→ Next" on the right.

9. Please note that if you mark that the medication is a prescription you will need to fill out the contact information for your veterinarian.

If you marked that the medication was not prescription, you will not fill this section out.

Click next.

A veterinarian must have prescribed this medication. List the licensed veterinarian's name and address who prescribed or directed the treatment.

First Name of Veterinarian	<input type="text"/>
Last Name of Veterinarian	<input type="text"/>
Full Address of Veterinarian	<input type="text"/>
Phone Number of Veterinarian	<input type="text"/>
