**VISIT THESE SITES IN NOBLE COUNTY, OHIO**

**Appalachian Hills Wildlife Area**
This former mining territory has been transformed into a vibrant recreation area with hundreds of lakes and camp sites.

**U.S.S. Shenandoah Memorial**
The memorial is located at the wreckage site of this U.S. Navy airship that crashed during a storm on September 3, 1925.

**Ball-Caldwell Home**
Samuel Caldwell built this house in 1832 on land that is now known as the Ball-Caldwell Homestead. It is listed in the National Registry of Historic Places.

**Wolf Run State Park**
The state park features camping, swimming, boating, and fishing on the 220-acre Wolf Run Lake, plus hiking on trails that include a section of the Buckeye Trail. Learn more: ohiodnr.gov

**Thorla-McKee Oil Well**
This site of North America’s first oil well, drilled in 1814, is listed in the National Registry of Historic Places.

**Ice Skating Rink**
The Village of Caldwell Ice Skating Rink is the only synthetic ice skating rink within 50 miles of Noble county. Skates are available by donation.
