

“Education and work are the levers to uplift a people.”

~ W. E. DuBois

## Skilled. Motivated. Dependable.

▪ The 25-county JobsOhio Appalachian Partnership for Economic Growth (APEG) region boasts **a workforce of 318,000 people that is skilled, motivated and dependable.**

▪ People here have a **traditional work ethic** which they combine with **modern skills** to make products shipped around the world.

▪ **The region's workforce offers you both experience and youth.** A full 75% of the regional population is 19 to 54 years old.

## Talent Acquisition.

**JobsOhio offers a talent acquisition service.** Major development projects will receive help creating and implementing a recruitment strategy tailored specifically to its operating environment, skill need and hiring deadlines.

## Preparing Today's Workforce.

▪ Customized training for workers is available from a network of technical career schools and technical and community colleges.

▪ The Manufacturing Extension Partnership provides customized training at a reduced rate to employers in the region.
